Ko te Wenerei, 3 o Maehe 2010

Ngā mihi ki a koutou katoa
 Our thoughts are with Leanne and her whanau at this time and we are looking forward to her return to school.

Triathlon: Congratulations to all the children who participated in the Club Mud Triathlon last week. They all performed very well and should be very proud of their efforts. Special thanks to Dr John and Sue, Raewyn, Karen and all their helpers who once again ran an awesome event.

Te Maika: Room 1 left for Te Maika yesterday and will be back on Friday, worn out but happy I would imagine. I'm sure they are making the most of the unique atmosphere Te Maika offers.

Swimming: The children are making the most of the

swimming pool and are working hard in preparation for the swimming sports.

Poukai: The poukai round is almost upon us again with this year being of special significance with Rakaunui celebrating 100 years and Waipapa 150. They will be special events for the children to be involved in. Please return your permission slip if you haven't already done so.

Mobile Dental Clinic will be at school from tomorrow.

Kia pai tō koutou wiki
 Ma te Atua e manaaki, e tiaki i a tatou katoa.
 Naku noa

11:30 a.m.

Tony Williams is a writer for children and adults. As a sports writer and journalist his topics range from New Zealand's most notorious criminals to its most awesome rugby heroes. Tony's titles include the 'Super 12' series and the 'Awesome All Blacks' series. Tony's novel for young readers is a tale about being careful of what you wish for - its hero wants a little adventure and ends up with 'Fizz: The Wildest Boy in the Universe'. Tony has written 30 books and over one million words.

Team Energize Hints!

Keep your lunchbox safe!

Hot summer days can make lunchboxes a dangerous place as it's the perfect growing conditions for bacteria and other nasty bugs.

Keeping your lunchbox cool, especially if it has perishable items in it, will help to reduce the risk of these bugs growing. Try these tips to reduce your risk:

- Keep your lunchbox out of the sun and in the shade
- Freeze drink bottles and use it as an ice-pack to keep foods cold then enjoy a cold drink at lunch time
- Freeze small yoghurt pottles overnight so it will help to keep foods cold but also be a yummy snack at school.

KIWI TO HARBOUR

team relay run & walk
