## Ko te Wenerei, 27 o Oketopa 2010

*Ngā mihi ki a koutou katoa*

What perfect weather we've been having lately!

The weather during athletics was a timely reminder to make sure your children have sunhats in their bag in case of sunny days like we've been having recently.

Please note that this Thursday is a Paid Union Meeting where all our classroom teachers will be going from 12noon to attend. The bus will be picking children up at 12.30pm. These meetings are being held for all union members throughout the country on different days.

Constable Lance will be visiting the children over the next few weeks to teach from the Kia Kaha, Kia Toa programme. This programme aims to teach respect and help others feel valued.

In two weeks time we will be hosting the Interschool Athletics. Our children have done a great job in training and participation in our school athletics yesterday. Thanks to Mr Watson for once again marking our field.

In the same week we will be having the Maniapoto Festival. Please return permission slips as soon as possible so we can confirm transport arrangements.

*Kia pai tō koutou wiki*
