Ngā mihi ki a koutou katoa Welcome to Kāwhia School

Over the past recent weeks we have welcomed to our school:

R1 - Karewa, Zarna, Kayla, TJ

R2 - Horouta

R4—Jordette, Lilashqui, Michael, Ida and Moses

It is wonderful to have you here as part of the Kāwhia School Whānau.

Interschool Swimming Sports

Congratulations to all those who participated at the Interschool Swimming Sports yesterday. Once again our children put 100% into all their efforts whether they won or not and we are very proud of them. Much appreciation goes to Mr May, principal of Kinohaku School, for organising a successful day. Feedback from the children confirms that making the move to the Te Awamutu Events Centre was a good decision.

Homework

All classes have

homework set for the children. If you are unsure, please ask the classroom teacher to check what the homework is for your child.

Duffy Role Model Assembly

Don't forget that it is NZ Book Month. I have personally committed to reading lots of books with my children every night at home and it has been very rewarding—not only for improving their own reading but for always having that special uninterrupted time together.

We will be having a Duffy Role Model Assembly this coming Monday, 28 March at 1.30pm. Unfortunately our sponsors, the Sproule & Nicholls family are touring the South Island so they won't be able to join us.

Our Duffy Role Model is Nicky Browne. She is heavily involved in sport

both coaching and playing. Nicky has been a member of the White Ferns and has captained Northern Spirit for three years, winning player of the year for five years. She coaches cricket as well and works with Hamilton Junior Cricket. Nicky spent five years in Christchurch and when she returned she made the Magic team and Waikato NPC team last year. Currently she is working as a netball development officer.

We look forward to meeting her next Monday and invite you to come and join us.

School Progress Reports

Teachers are currently writing Term 1 reports. We have changed the format so that more areas of the curriculum is incorporated and there will be space for Term 3 reporting.
