Ngā mihi nui ki a koutou katoa

Our love and condolences to our bus driver, Matua Shane Whitiora and his whānau for the loss of his father, Dick Whitiora.

On a brighter note, congratulations and good luck to Matua Shane Edwards, who is currently in the Senior Mens' NZ Touch team at the World Touch Tournament in Scotland.

Interschool Cross-Country

Well done to all of those who participated in the interschool cross-country held at Piri Piri School. They chose the perfect day for the event and you can find the results of the races on the next page. Thanks to the parents and whānau who came to support on the day and to the organisers of the day.

Please remember to pay \$5 per child or \$10 per family of two or more to help cover the cost of petrol.

Breakfast in Schools

Unfortunately the Red Cross is unable to continue sponsorship of Breakfast

Club after this term because Countdown has withdrawn its sponsorship. This was devastating news for us as we truly value the volunteers that help and also the warm atmosphere felt in the mornings in addition to the nutritional benefits to our children.

When Labour MP, Nanaia Mahuta came to visit last week we shared our dilemma with her. She has asked our children to write letters and she will try and get some sponsorship for us.

If you know anyone else who you think can sponsor/donate or if you have any ideas of how we can keep our Breakfast Club going please let us know.

Camp Capenwray Students

This week we welcomed once again the students from Camp Capenwray with thanks to John and Sue Burton for arranging their visit.

Earlier this week we had the opportunity to meet with the Duffy Regional Co-ordinator, Jacqui Knight.

After being welcomed by the school she met with myself and the very capable school co-ordinators Zoe, Eilish and Te Kahu.

She made us aware of the Kids at Home (KaH) programme where younger brothers and sisters of Kāwhia School children can receive a free book on their birthday thanks to our awesome sponsors.

The 'free birthday present' is for all siblings of pupils under the age of five on their birthday. This is a great opportunity to introduce kids at home to the world of books and reading!

On the KaH kid's birthday, each Duffy kid can choose the 'present' to take home and give to their sibling on their birthday, wrap it up and fill out the KaH birthday card.

Please fill in the attached KaH form and return it to school.

SPORTS NUTRITION TIP

Sports Drinks vs Water

Sports drinks were originally designed for elite athletes to help them recover from their demanding training and competing requirements. If our body doesn't need it but we drink it: we don't get the benefit of the drink, we just get 14 tsp of sugar! Water is the best sports drink for us, so get slurping!
