Ngā mihi ki a koutou katoa

Welcome to the final week of Term 1 and it's great to have you back, Whaea Roimata!

Thank you to Laura, who has been sharing her wonderful singing talents with some of our students over the past few days. Laura is working with Dr John as a trainee intern.

The last day of school is tomorrow—Thursday, 5th April since Friday is the start of the Easter Weekend. School starts back again on Monday, 23rd April. ANZAC Day will be on Wednesday, 25th April and although there is no school that day, it would be really great to see the children at the parade down town to show their support.

Tomorrow, weather permitting, we hope to have a shared lunch followed by a game of adults v students touch game and a final swim for the season. Please join us and, if you are brave enough, have a swim!

Interschool Swimming Sports

Congratulations to all those who participated at

the Interschool Swimming Sports. Once again our children put 100% into all their efforts whether they won or not and we are very proud of them. Much appreciation goes to Mr May, principal of Kinohaku School, for organising a successful day. Results are on the next page.

Duffy Role Model Assembly

Today our children welcomed and were entertained by "Mr Mac" and Doug the Digger in his gigantic Kenworth truck. He kindly presented their Duffy Books to them today—just in time to enjoy for the holidays. Thanks always to our awesome sponsors who make it possible for your children to hear great role-models, enjoy the Duffy Theatre and take books home to enjoy and keep for themselves: The Sproule Family, Greg and Karen Nicholls, The Lion Foundation and the Kāwhia School Board of Trustees

Interim Progress Reports

Interim progress reports will be sent out shortly. This is a new format that is hopefully easier for you to understand, which is aimed at providing you with a snapshot of how your children are progressing at this time of the year. We look forward to your feedback of the new report when we have parent interviews at the beginning of next term.

PARKING

For safety reasons, the carpark down the driveway is reserved for staff and authorised vehicles only. Please park your vehicle at the top of the school if you are picking up or dropping your children off.

DRESS STANDARDS

Our older students provide an important role model for our younger children and represent the School in the wider community, what they wear and how they wear it is very important in the school environment. Students' dress should be appropriate for school activities and of neat and tidy appearance. Wearing revealing clothing is not appropriate for the school environment.

Dental Therapist

The Dental Therapists will be coming to our school on 23, 24, and 26th April. If there are any new dental enrolments please contact Trish Goddard on 021 487 914 or 0800 825 583 (0800 talkteeth).

Headlice!

We seem to have an infestation of kutu/headlice in our school. PLEASE check your children's hair.
Dr John has treatment if needed.
