## Ko te Wenerei, 6 o Hune 2012

*Tēnā koutou katoa*  
*Welcome to Week 7*  
*of Term 2*

### Cross Country

Congratulations to all the children that participated in the school and interschool cross country events over the last two weeks. At the school event, we were very impressed with the positive sportsmanship attitude and the way everybody had a go at the course. Special mention to Te Ahumai and Tangaroa, who not only helped me set up the course but also ran to support the little children as well as running their own age group race. Thanks to Hauturu School for hosting the interschool cross country.

### Writing

As identified by our own self-review and mentioned in the latest ERO report,

our goal is to raise student achievement in writing. We are lucky to be guided by a very good adviser, who is already helping our teachers work towards that goal. Whaea Lisa was at school again today helping teachers review and design their writing programmes based on student needs.

We are excited by the results so early into our professional development ☺

### Matariki Celebration

This is only a few weeks away. If you have any kai that you would like to contribute to the hangi, please let us know or drop it off to the school.

### Fundraising

Finally, thank you to all those who supported both Kawhia School and the Kawhia Learning Centre over the long weekend. The Learning Centre made

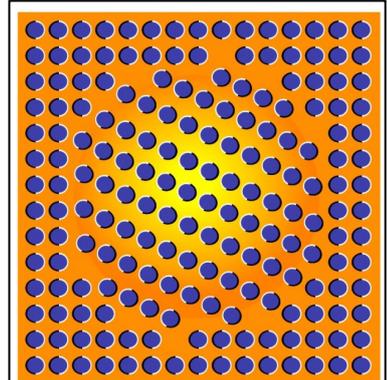

a profit of approximately \$500 at their white elephant sale and our school was paid \$1700 for catering the Vintage and Veteran Car Rally.

A special mention of appreciation to Whaea Karina for her hard work behind the scene and Sue Dimond from the Orange Dinghy Café for her support with the catering and making our lives that much easier!!!

moving bulge 2  
 Design: h.j. verwaal - esloo - the netherlands  
 The bulge appears to move

This is a static image. It is not animated in any way. but as your vision moves back and forth the centre area seems to be moving toward the centre (contracting) and the outer edges seem to be moving away (expanding) from the centre. Also worth noting is that if you fixate on a point in the centre and don't move your eyes this anomalous motion will stop.

CONGRATULATIONS to former student, **Thom Snowden**, who has been selected for the U17 NZ Maori League Team. We are very proud of you, Thom!

Capernwray Bible School students will be coming next week (they arrive in Kawhia on Saturday). There will be 4 students (2 boys, 2 girls) with Cloudy, who has been before, leading them. They will hold a Kid's Club after school as they have other years, from 3.00 to 4.15 pm at Kawhia School. All primary age children are welcome to attend. They're also available during the day if anyone has a small job or project they'd like help with.

## LUNCHBOX FILLERS

Easy nutritious snacks for the lunchbox

Leftovers can make lunches easy!

Meat can be put in sandwiches or add a small container of cold bolognaise, potato salad or rice for a super yummy lunch.

## Duffy Books in Homes

Duffy says: When your child brings home their new book or books, ask if they would like you to read with them (or to them if they have just started school). Reading to your kids is a wonderful way to improve their reading and also a great way to spend time together. *The Sproule Family, Greg and Karen Nicholls, The Lion Foundation and the Kāwhia School Board of Trustees*  
Many thanks also to Whaea Robbie, our Duffy Co-ordinator
