Swimming Sports

Thanks to all those who came to support our Fun Swimming Sports afternoon on Friday, especially to Whaea Roimata and Amiria for organizing the events. Congratulations to all the children who participated and had a great time together. More photos are on the Kawhia Primary School Facebook page.

The Kawhia Moana Interschool Swimming Sports is tomorrow.

Please meet at the school at 8.30am. The swimming sports starts at 10.00am at the Te Awamutu Events Centre but we've been asked to be there by 9.30am. Please pay the school \$5 per person or \$10 per family.

Please make sure to bring your own morning tea and lunch. Children will not be allowed to leave the venue to buy food at the shops.

The day will finish approximately 2pm. Zac Taylor, principal of Kinohaku School, will be running the day.

There will be a Junior Day ONLY at Kawhia School on the 27th of March for Year 1-3s (and Yr 4 non swimmers) only. The

seniors are expected to be at Te Awamutu pools to participate and support as their official day is there.

School finishes 2pm next Tuesday

Our teachers will be attending a ScienceHub meeting at Ngutunui School on Tuesday afternoon. To make sure they get there in time, school will finish at 2pm on Tuesday.

Ka nui te aroha ki te whanau a Trevor Smith.

THE AMAZING RACE POSTPONED

Message from Katherine Hill (Project Energize):

Hi Everyone,

I have decided in collaboration with Kawhia Health Centre, due to the circumstances of Trevor Smith (Kaumatua within the community) still missing from Kawhia the Kawhia Amazing Race will be postponed until further notice. I am yet to have another meeting with Kawhia Health Centre to decide on a suitable date to reschedule.

Please could you inform your students and their families that this event is postponed and will not be running ahead this weekend.

I will keep you in the loop as to when it will run again.
