## Ko te Wenerei, 27 August 2014

Kia ora koutou katoa  
Welcome to Week 6 of 10

### Whaea Roimata and Koro Meto

Thank you to everyone for your outpouring love and support for Whaea Roimata and Koro Meto as they recover from the devastating fire that has destroyed their house. We are very grateful that they were both unhurt. Both Kawhia School and Kawhia Hotel are accepting any donations that you would like to give to help them out. Kawhia Hotel has also organised a Kawhia Community Benefit to help raise funds for them on Saturday, 6 September.

### New Students

A big welcome to Yolene and Akiwa, who both recently started their very first days at school.

### Keeping Ourselves Safe

Please find attached a

letter about the Parent Meeting for Keeping Ourselves Safe tomorrow, 10am in R3 with our Police Education Officer, Constable Irwin.

### Spring Fling Photo Competition

Spring Fling Photo Competition for all Kawhia Moana students - this year's theme is "Selfies Plus" (meaning the subject can be self + friends/family).

The definition of "Selfie" being a self portrait taken by yourself or a "group selfie" taken by someone in the group.

Students will need to think about how their "selfies" will stand out among the rest, which could all look very similar; so creative thinking, background setting, composition will be considerations. No adult help with photography is allowed.

There are cash prizes for 1st and 2nd in each category and one "People's Choice" prize.

Children can take these photos on any device and email it to office@kawhia.school.nz

### Labour Weekend Gala

Please find attached a stallholder's registration form for the Labour Weekend Gala to raise funds for Kawhia School and Te Kura Tia Ki Kohungahunga. If you don't need it, try and find someone who would like to have a stall.

If you know anyone who can donate prizes or have an idea for the Gala, please let us know.
